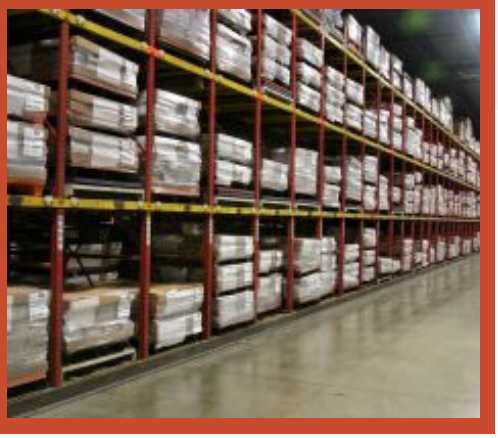
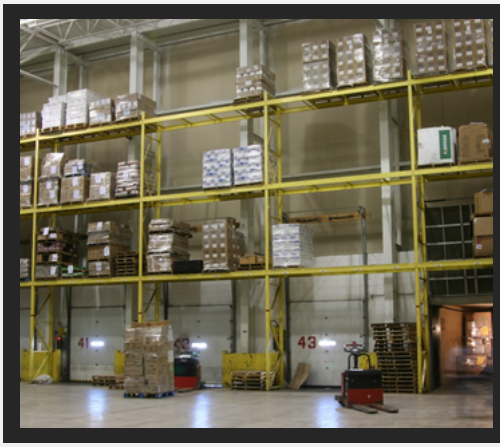
SAVE SPACE & MAXIMIZE EFFICIENCY WITH UNIQUE RACKING SOLUTIONS

AXIOM, INC.

PUSHBACK RACK

Pushback rack stores pallets on wheeled carts and operates using the force of gravity, allowing for quick loading/unloading and greater efficiency.





RACK ABOVE DOCK DOORS

Optimize your usable warehouse space and declutter your loading dock areas with over dock racking solutions.

CREATIVE RACK SOLUTIONS

From creative racking solutions like ActivRac to a multi-level pick system, Axiom can provide the right application to meet your unique needs.

When designing your facility, know that options are endless. Our team at Axiom provides design-build services for racking and warehouse applications, in addition to repair and maintenance. ***Let's talk racking!***
