

AXIOM'S VLM SERVICE & MAINTENANCE SOLUTIONS:

SERVICE CONTRACTS

Want to guarantee that your VLM system is taken care of in case anything happens? A service contract might be the perfect fit for your business.

- > Available after-hours service 24/7
- > Guaranteed response time
- > Available operator training
- > Includes preventative maintenance

MODIFICATIONS & RELOCATION

Looking at relocating in the future, expanding your location, or making changes to the features and functionality of your VLM? We have the certified technicians you need to help.

- > Change unit height
- > Add accessories
- > Move existing equipment

SPARE PARTS PACKAGES

Looking to have the exact spare parts your VLM needs in order to increase up-time? We offer customized spare parts packages that are unique to your equipment and needs.

- > Increase 1st visit repair rate
- > Minimize downtime
- > Customized for your equipment needs
- > Save on repairs vs. brand new parts
